Human Anatomy (9th Edition) PDF - Read All Book

The 9th Edition features new exercises and questions that help students learn and use anatomical language and interpret real-world medical images while learning basic human anatomy. Building on the functional anatomy approach of previous editions, selected illustrated tables have been enhanced to tell a more cohesive and logical "story" of human anatomy.

Human Anatomy & Physiology, 9th Edition - pearson.com

Revised to accompany the Ninth Edition of Human Anatomy & Physiology, the Study Guide offers a wide variety of exercises that address different learning styles and call on students to develop their critical-thinking abilities. The three major sections, Building the Framework, Challenging Yourself, and Covering All Your Bases, help students build a base of knowledge using recall, reasoning, and imagination that can be applied to solving problems in both clinical and non-clinical situations.
