The new 11th AP Edition of Biology features integrated coverage of the new AP Biology Curriculum Framework with Part Openers that provide an overview of the Big Idea as it relates to the chapters within the Part.

*Amazon.com: biology mader 11th*

The Mader/Windelspecht Story: Biology is a comprehensive introductory biology textbook for non-majors or mixed-majors courses that covers biology in a traditional order from the structure and function of the cell to the organization of the biosphere. The book, which centers on the evolution and diversity of organisms, is appropriate for a one- or two-semester course.
