is everyone using Bobcat hydraulic fluid?

Type of Hydraulic Oil used in Skidsteer.

I used the Bobcat brand hated the cost but really didnt want to chance it. Im not sure what size machine you have but my 440 took quite a bit of fluid for a complete change. I use my machine hard since it doesnt have any power to get out of its own way so I am running the Bobcat brand incase of any warranty issues that may come up.

Hydrostatic Oil 32-46 | 5Gal | 55Gal | Pails | Buckets ...

I was not pleased or sure of the answer I received, so I went by Bobcat and ask one of their techs. He showed me what to do and the location of were to drain the hydraulics, he also informed me if I had used the AW46 Hydraulic oil severe damage would have ocured, possible as great as \$6,000.00.
