ensure the procurement of quality goods and services at best value through fair, open and competitive processes.

## ~~Engineering, procurement, construction and commissioning ...~~

Although the engineering, procurement and construction (EPC) contract and the engineering, procurement and construction management (EPCM) contract have been present in the construction sector for many years, there remains confusion as to the fundamental differences between these contracts, the role each party is required to play, and when to use one contract over the other. The fundamental ...

## ~~Engineering, Procurement, Construction Management | EPCM ...~~

The initialism EPCM is also encountered frequently on international projects, but this is very different from EPC. EPCM is a services-only contract, under which the contractor performs engineering, procurement and construction management services. This form of contract is covered by the FIDIC Silver Book containing the title words EPC/Turnkey.

## ~~CH2M signs framework agreement with Shell to provide ...~~
