Fqhc Medicare Wrap Around Payment Medicaid Payment Policy for Federally Qualified Health Centers

~~medicare fqhc wrap around payments medicare 2016 ...~~

Federally Qualified Health Centers (FQHCs) that have a written contract with an MA organization are paid by the MA plan at the rate specified within their contract. If the MA contract rate is less than the Medicare Prospective Payment System (PPS) rate, Medicare will pay the difference. This is called a supplemental wrap-around payment.

~~FQHC Medicare Wrap Around Payment Process~~

To bill wrap-around claims to receive a supplemental payment if the MA contract rate is lower than the PPS rate, submit Medicare Advantage (MA) contract information to Noridian's Audit department in order. View details.

Answer: For claims with the 0519 revenue code, the wraparound payment is based on the PPS rate without comparison to the provider's charge.. For an FQHC visit, Medicare will compare the PPS rate with the MA contract rate. The rate is not adjusted for coinsurance or preventive services as the MA plan would have already assessed any applicable coinsurance and related waivers of coinsurance.
