Hello, today I'm going to talk to you about my house. My house is in London. It is a detached house, which means it's not joined on to any other houses. It is separate. Downstairs there's a utility room where we keep the washing machine, the drier and a freezer. Also downstairs there's a kitchen, living room, conservatory and a bathroom.

---

Home | LearnEnglish Teens - British Council  
My dream house would have a huge garden, with swings and many different types of flowers. I'd like to have some garden furniture, to make barbecue with friends. The garden would have beautiful illumination for it to be bright during the night. The house would be big, three floors, with studio, play room, library and a dance room.

Homes and furniture | LearnEnglish Kids - British Council  
This lesson focuses on describing houses, and what our houses can say about us. Students will review vocabulary to describe different types of houses and their features, read about unusual housing types, speak about housing in their own country and take part in a discussion about young people leaving home. Aims:

About the house - ESOL Nexus | British Council  
My favourite room in my house is my bed room. It's just like a place where I can feel freedom.I don't need to share my room with other.So I can decorate my room as I like.I can do whatever I want.I change my room layout plane twice a year.Changing gives me fresh and clean atmosphere.I'm interested in interior design.My bedroom is the only place where I can live privately.That's why my bedroom ...
