How do I change my email address on my Kindle Fire?

1. Your Kindle Fire or Fire tablet uses by default a text size of "1", which is also the smallest available font size. The screenshot on the right shows you the default font (small) at the bottom, and the largest size at the top, for the same text (that sample comes from the Settings screen). While you can increase or decrease the text size, this won't affect the size of icons.
