E3372 Specifications | HUAWEI Australia

Yes that poor chap has been struggling to get the thing working for ages - he should probably take up gardening as a hobby . The problem is that the E3372 comes in two variants - HiLink/router-mode and Stick/modem-mode, but there is also storage mode which I need to change using `usb_modeswitch`. And there can be some jiggery pokery involved in switching between the two modes as you can see in ...
