Another fabulous book by Brad Meltzer. These "ordinary people change the world" books are the favorites in our house. My 4 year old can somewhat coherently speak about Lucille Ball and Rosa Parks and Jackie Robinson (though the bit about him sleeping in bed with his mom was NOT helpful) and Albert Einstein and Abraham Lincoln, and they give excellent examples of how great people can make ...

For example, Lucille Ball could make any situation funny. By making people around the world laugh, she proved that humor can take on anything. This engaging series is the perfect way to bring American history to life for young children, providing them with the right role models, supplementing Common Core learning in the classroom, and best of all, inspiring them to strive and dream.

I am Lucille Ball is another installment in the I am series about ordinary people who change the world. Lucille Ball seems a strange choice to add to the mix, but Meltzer folds her story into the series fairly well, focusing on how she was considered an improper girl and how her improprieties made her who we came to love.
