And my journalism

Download Free Journalism In The Age Of Digital

My journalism career actually started four years before the University of the South Pacific was founded in 1968. Being a journalist was much simpler back then - as a young cadet on the capital city Wellington's Dominion daily newspaper, I found the choices were straight forward.

In her paper, called Journalism in the Age of Social Media, Jenny includes a survey about social media usage in news operations among selected chief editors from different parts of the world. 5 out of the 6 editors surveyed said speed or immediacy was the aspect of social media that helps them best in receiving news. They said the main ways their

The role of Journalism
In the Digital Age.

What remains vital are
the core values of
journalism: to filter,
edit, check, pack,
analyse, and comment
- fundamentals of
verification that have
existed for decades
and won't become
obsolete. If journalists
stick to these rules and
editors provide them
with the appropriate
tools, guidance and
education,
