KEEPER is the second of Johana Gustawsson's Roy & Castells series featuring Canadian behavioural analyst Emily Roy, and French true crime writer Alexis Castells. This intriguing pair is back for another adventure very much in the same vein as the first novel in the series — with no loss of tension, pacing, and historical connections.

Last year I included Johana Gustawsson's Block 46 in my end of year round-up of my favourite books - much anticipation here at Grab This Book over the new Emily Roy/Alexis Castells thriller Keeper. Keeper is a relentless, heart-stopping masterpiece, filled with nightmarish situations that will keep you awake long into the dark nights of winter.
