There are fun tie-ins to the first book as well-like Little Owl's finally getting to show Bear the moon. The art is superb-a really interesting style. I love that this book keeps the same I loved Srinivasan's first Little Owl picture book, Little Owl's Night, and Little Owl's Day is the perfect follow up.

Little Owls offers activities to assist the children in meeting child development milestones. We also provide play based learning as each child continues learning throughout their day. We learn through music, movement, sensory activities, art, creative expression, dramatic play, peer learning and one on one activities with teaching staff.

~~Little Owls Resources — FREE~~

The little owl is partly diurnal and often perches boldly and prominently during the day. If living in an area with a large amount of human activity, little owls may grow used to humans and will remain on their perch, often in full view, while people are around. The little owl has a life expectancy of about sixteen years.

About Little Owl's First Day. It's a big day for Little Owl. His first day at school. Little Owl doesn't want a big day though. He'd rather stay at home and have fun with Mummy and Baby Owl. But at school he gets to build a rocket, learn to fly and even make a tiny new friend. Maybe big days spent with friends can be lots of fun after all!
