Healthcare Journals | Peer Reviewed | High Impact Articles ...

A peer-reviewed article is published in a peer-reviewed journal only after it has been subjected to multiple critiques by scholars in that field. Peer-reviewed journals follow this procedure to make sure that published articles reflect solid scholarship and advance the state of knowledge in a discipline.

Communication Research: SAGE Journals

A peer-reviewed (or refereed) article has been read, evaluated, and approved for publication by scholars with expertise and knowledge related to the article's subjects and contents. Peer-reviewing helps insure that articles provide accurate, verifiable, and valuable contributions to a field of study.
