Piet Sercu International Finance Theory
Using Forwards for International Financial Management In this chapter, we discuss the five main purposes for which forward contracts are used: arbitrage (or potential arbitrage), hedging, speculation, shopping around, and valuation. These provide the topics of sections 5.2 to 5.6, respectively. But first we need to spend some time on ...

Piet Sercu: International Finance: Theory into Practice
Piet Sercu was my professor for the courses "International Finance" and "Foreign Direct Investment", we used a draft version of the textbook in 2008-09 before it was published. It is a very in-depth book, not really material for people with a superficial interest in the financial world. The book is full of practical examples & exercises that ...
