Positive Psychology Quiz Questions Flashcards | Quizlet

The test contains 28 groups of four statements. The questions are to be answered honestly and spontaneously. The test only takes about 5 to 10 minutes to complete. Some of the questions include: People look up to me. I tend to be a kind person. I accept life as it comes. People say I have a strong personality.

17 Self-Awareness Activities and Exercises (+ Test)

The approach has a lot of overlap with positive psychology in its focus on what's working, what's good, and what gives us life. By virtue of its flexible nature, AI can be applied to understand and change individuals, teams, businesses, or even societies. And it works by asking unconditional, positive questions.
