Interflux

Son of Interflux by Gordon Korman, first published 1986, 288 pages Possibly my most favorite funny book ever. I fell in laugh-out-loud love with Korman's work when I was in middle school, and I've been reading and rereading his classic stuff ever since. Lack of Genius: Review: Son of Interflux

Korman, Gordon - Biblio.com

Though Son of Interflux was first published in 1986, the serious issues it addresses (corporate power and environmental damage) are even more relevant now than when it was written. Their heaviness is lightened by author Korman's characters, the sort of madcap circle of school buddies that he is

Goodreads

The trouble really begins when Simon's father finds out what he's been doing, because Simon's father is the head of Interflux. Thus begins a battle between the corporation and the school and between father and son to outmaneuver each other for control of the tiny strip of land. This is one of Gordon Korman's best books,
