Start Day Trading Now (Adams Media).

Day trading, or intraday trading, is a method that works just like it sounds: you enter a trade involving one or more stocks (or another security) and exit the trade — which you've only held onto for seconds, minutes, or hours — by the end of the day.

How to Start Day Trading in Gold - The Balance

The definition of “day trading” is the buying and selling of a security in a single trading day. For example, if you purchase 50 shares of Tata Motors in the morning, you’ll have sold your position by the end of the trading day, and then start from scratch the following morning.
