### **Tea: addiction, exploitation and empire by Roy Moxham ...**

Demand soon spread to the colonies, where the heavy taxation on tea led to smuggling on a massive scale and, in the New World, cost England her American empire. Tea drove the British to war with China, to guarantee the supply of pekoe, and it prompted colonists to clear jungles in India, Ceylon, and Africa for huge tea plantations.

His next book, *Tea: Addiction, Exploitation and Empire* focuses on the effect of British tea addiction on British policies in Asia and Africa, and includes the author's own experience as a tea plantation manager in Africa. An updated edition "A Brief History of Tea" came out in 2009.

### **Roy Moxham - ABOUT ME and REVIEWS | 223839**

Behind the wholesome image of the world's most popular drink lies a strangely murky and often violent past. When tea began to be imported into the West from China in the seventeenth century, its high price and heavy taxes made it an immediate target for smuggling and dispute at every level, culminating in international incidents like the notorious Boston Tea Party.

Tea: Addiction, Exploitation, and Empire is about how the power of an empire can take something as simple as leaf water and turn it into a massive industry that runs off of conquering others and bloodshed. Britain's obsession with Tea is what made it what it is today. They weren't even the first to have discovered Tea.
