Law-Growth Nexus - A Mapping of Labour Law and Micro and ...
AbstractThis article seeks to put the law-finance-growth nexus into the context of Africa. As of 2017, the African Securities Exchanges Association has 27 securities exchanges as full members. The Johannesburg Stock Exchange is the most developed of all, especially with respect to its market capitalization. Its socio-legal proximity with the English system may provide a good explanation to ...

regression results to examine the underlying mechanisms through which the law, the judiciary, and the legal profession influence the economy. The result is essential reading for analysts and policymakers facing the challenges of legal and economic reform.

Project MUSE - The Law-Growth Nexus

The law-growth nexus is a vitally important topic both because the unregulated or informal economy is so large in all countries in Africa (and by extension most employment is in MSEs) and because the quality of growth is so important for sustainable development.

The Law-Growth Nexus: The Rule of Law and Economic ...
It has long been evident, even to economists, that economic development involves much more than a country's adopting the appropriate growth-enhancing policies. A lively scholarly debate has developed over the role of institutions, including the legal system, on the course of development. Dam, a professor of law at the University of Chicago and formerly a high official in
