### *The Little Engine That Could - Book Review*

Te h Little Engine that Could Piper, Watty Chug chug chug. Puff puff puff. He little rain ran along the tracks. She was a happy little train. Her cars were full of good things for boys and girls. There were all kinds of toy animals. Giraffes with long necks,

## Online Library The Little Engine That Could Printables

teddy bears with no necks, and even a baby elephant. There were all kinds of dolls.

### *The Little Engine That Could*

The Little Engine That Could is an American fairytale (existing in the form of several illustrated children's books and movies) that became widely known in the United States after publication in 1930 by Platt & Munk. The story is used to teach children the value of optimism and hard work.

### *The Little Engine That Could-Full Movie*

Watty Piper's 1930 "The Little Engine That Could" When I was a very young child (circa 1960), one of the first books I was given was a 1930 edition of Watty Piper's The Little Engine That Could. I've loved trains since I was a kid and I'm convinced this little tome was an early contribution to what's become an obsession.

Little engine (Tracy) is the little blue female steam engine, who attempts to take the toys over the mountain. She likes to think that she is bigger than her actual size, sometimes wounding herself up in trouble. She's the parody of tillie the birthday train.

*The Little Engine That Could: Reillustrated Edition by ...*

The Little Engine that Could is a wonderful moralistic children's story that helps to teach children the value of optimism. The gist of the tale is that a long series of boxcars must be pulled over a mountain to supply a small town with toys, candies and food. Various larger engines are asked by the toys to pull the cars but they all refuse.
