pseud., 1963- : Clare Cassidy is no stranger to tales of murder. As a literature teacher specialising in the Gothic writer R.M. Holland, she teaches a short course on them every year. Then Clare's life and work collide tragically when one of her colleagues is found dead, a line from an R.M. Holland story by her body.

The Stranger Diaries, however, is a standalone mystery that, although it does feature a police investigation, reads to me more like a psychological thriller. Claire Cassidy is writing a book about RM Holland, a fictional writer of ghost stories (think MR James) best known for a short story called The Stranger.
