Globalisation of the World's Wine Markets - Anderson...

Also, if wine is traded on the secondary market in any frequency, then it's possible to work out what the wine 'is worth'. Many compare this to the world of art sales. However, when an artist's work begins to be sold on the secondary market, and the artist in question develops a reputation, they can suddenly sell their art direct to the consumer for much higher prices.

France was the biggest world exporter in terms of value, with 9.0bn EUR of exports in 2017. In the medium term, these developments correspond to an expansion of the world market, in terms of both volume and value. Development of the world wine trade In terms of product type, the main trends in the world market were as follows:

The Grey Market Creeps into Natural Wine — Secondary...

Exported wine Global sales from wine exports by country amounted to US\$36.1 billion in 2019. Overall, the value of wine exports appreciated by an average 13.1% for all exporting countries since 2015 when wine shipments were valued at \$31.9 billion. Year over year, wine exports decreased by -4.2% from 2018 to 2019.

Cru World Wine

Since the 1970s, the home market has been continuously dwindling, to such an extent that the present per capita wine consumption in Spain is much lower than in the UK. If we also consider, adding to the figure, that more than 70 million tourists are included in the statistic, the picture is very dark.

Marketing Wine to the World - Harvard Business School...

the New World and the consequent competitive pressure on the Old World in key import markets. Looking forward, the paper draws on a new model of the world's wine markets that distinguishes non-premium, commercial premium and super-plus premium wines in each of 47 countries or country groups spanning the world.

STATE OF THE VITIVINICULTURE WORLD MARKET April 2018

Appendix: Key Equations in the Global Wine Markets Model. A model of the world's wine markets was first published by Wittwer et al. (Reference Wittwer, Berger and Anderson 2003) and much improved by Anderson and Wittwer (Reference Anderson and Wittwer 2013). Several significant enhancements have been made to that original model.

World's Best Food Markets | Food & Wine
