a little under a half inch, and tapers to about a quarter inch on its two ends. The tip of one end comes off to reveal a small plug used to charge the device; the other end has a small metal button that lets you toggle sleep mode.

Jawbone Up24 review: A great fitness tracker with style ...

Acces PDF Up24 Size Guide

I bought a jawbone up yesterday. I used the sizing guide on the box and decided to get the medium as the small was a little tight. The shape of the band is more oval than round so the medium is a fitted fit but has room at the curves of the oval band. My question is would the large still be this fitted with more room at the curves.
